Dear Sir,

RE: EMPANELMENT WITH THE ICA

We are pleased to confirm that the Arbitration Committee of the Council at its meeting held on 24th March, 2018 has approved your application for empanelment with the Council under the category of "Engineers".

Accordingly, you are now conferred "FICA" (Fellow of ICA) to indicate and recognize your Panel Membership with the Council.

We may, in this connection, mention that your enrolment with the ICA Panel of Arbitrators does not *ipso-facto* guarantee any assignment to you to act as arbitrator in the cases under the ICA Arbitration Rules.

A complimentary copy each of ICA Arbitration Rules (2016) and the current issue of the Quarterly Journal is forwarded herewith for information.

With regards,

Yours sincerely

D. SENGUPTA
Additional Director
